

Goodbye 'o' Loved One

MADDIE DISNEY

Over the hills,
Under the ground,
Soldiers are dying,
Nowhere to be found.
Running along,
Seeing the dead,
Fighting for life,
Feeling the dread.

The time will come,
The moment will pass,
I will fall to the ground,
Hopefully the last.
Looking behind,
Everything is dead,
The hungry, the weak,
Even the fed.

Guns, gunshots,
Cannons, cannon shots,
Everything I see ahead,
Is changing such a lot.
Seeing all this devastation,
Really makes me wonder,
"Will I make it out alive,
Or will I sit and ponder?"

My love, I love you very much,
You are my heart and sole,
You make me happy and worthwhile,
In even the deepest of holes.
I want you to stay calm,
Just try to relax,
But if I have to say one thing,
It's that there's no way I'm coming back.

Goodbye my friends,
Goodbye all fun,
Goodbye my life,
Goodbye bright sun.
Goodbye my fellow fighters,
Whose days are sadly done,
But most of all from the bottom of my heart, Goodbye 'o' loved one...
