Saturdays

First Term

Our plan for Saturdays is to continue nurturing our pupils' love of hockey and to encourage as many pupils as possible to participate.

To further support this, we will encourage pupils to play hockey outside of school. Consequently, there will be no fixtures for students in Year 11 or above, except on special occasions. Fixtures for Year 10 will also be more limited than previously experienced.

Second Term

It has become increasingly difficult to arrange fixtures against schools of the required level, as many boarding schools have shifted to Netball during the boys' Hockey season. As a result, we will not schedule Saturday fixtures. This time will instead be devoted to training teams that are still competing in Cups. We will continue to hold midweek fixtures but will encourage our pupils to participate in club hockey during the weekends.

 - ▶ Results are not the only focus.
 - ▶ Students eligible for national leagues or women's performance teams can be released by the school as needed.
 - ▶ Students who fail to communicate their unavailability twice may be replaced in future selections.
- ▶ Tournaments
 - ▶ Select the strongest players, even those involved in other sports (a certain level of commitment is still required).
 - ▶ Players from other year groups may be called up as needed.
